## DECLARATION OF PRODUCER

Producer:

### **ACO Industries k.s.**

*Havlíčková 260, 528 22 Příbyslav  
Czech Republic*

confirm, that the product:

### **ACO gullies 142, ACO gullies 157, ACO gullies 218 and covering grates**

*material:  
stainless steel 1.4301 or 1.4404 ( EN 10088 )*

designed for

*point drainage of inner surfaces*

*designed, made, tested and checked under the EN standard EN1253  
Product certificate No.A0 202/C5a/2016/ Reg.No.: J-30-20044-16*

is safe if it is used in applications mentioned above and in accordance with installation conditions issued by producer.

Producer declares following flow rates, tested according to EN 1253 standard:

Fixed height gullies				
Gully diameter (mm)	Outlet diameter (mm)	Type	Outlet position	Max. flow rate (l/s)
142	75	Standard	Vertical	1,4
142	110	Standard	Vertical	1,6
142	75	Standard	Horizontal	1,4
142	110	Standard	Horizontal	1,6
157	75	Standard	Vertical	2,7
157	110	Standard	Vertical	3,5
157	75	Standard	Horizontal	2,6
157	110	Standard	Horizontal	2,8
218	110	Standard	Vertical	5,0
218	160	Standard	Vertical	5,0
218	110	Standard	Horizontal	4,4
218	110	High flow rate	Vertical	7,5

Telescopic gullies				
Gully diameter (mm)	Outlet diameter (mm)	Type	Outlet position	Max. flow rate (l/s)
142	75	Standard	Vertical	1,8
142	110	Standard	Vertical	2,0
142	75	Standard	Horizontal	1,8
142	110	Standard	Horizontal	2,0
157	75	Standard	Vertical	3,3
157	110	Standard	Vertical	4,4
157	75	Standard	Horizontal	3,3
157	110	Standard	Horizontal	4,4
218	110	Standard	Vertical	6,2
218	160	Standard	Vertical	6,2
218	110	Standard	Horizontal	5,4

Producer took steps in accordance with ISO 9001, which provide conformity of all products brought on market.
